

LYSINE

2008

- 1,800 sqm of total surface
- 4 floors
- Common facilities: meeting room, kitchen

EPIC SUISSSE

An architectural rendering of a modern building complex. The buildings are white with flat roofs, many of which are covered in green vegetation (green roofs). The buildings are arranged in a cluster, with some having large rectangular cutouts in their roofs. The surrounding area includes paved walkways, small trees, and a blue water feature in the background. The overall style is clean and contemporary.
