

VANGUARD PROGRAMME APPLICATION FORM

Thank you for choosing the DH² Vanguard Programme to boost your project and help you thrive in the exciting life sciences ecosystem at Biopôle in Vaud. We will put at your disposal everything you need to transform your project into a reality for patients. Of course, being Swiss, we also thrive on delivering the highest quality infrastructure and services available. We run a selection process to make sure that there is a perfect fit between what we offer and what you are looking for. This also ensures that all our Vanguard Programme members are of the right quality and suitability for the DH² environment. So, we thank you for completing this form, adding as much detail as you can at this point in your project's development.
